BRITESTART SUCCESS TIPS

- Even if you have Parties on your calendar today, book more! Every Party is like insurance against last-minute postponements and cancellations.
- A full calendar today lays a solid foundation for your future business.
- Parties are where you'll meet the most people who will book future Parties or be sponsoring leads. No matter how you choose to sell, Parties form the core of your business.
- Coach your Hosts to have ten or more Guests in attendance.
- Share your business with at least one new person a day. Talk about it. Add your contact information to every email you send. Promote yourself!
- Visit the Learning Center on my.partylite.com for more useful success tips.
